Redevelopment of the Magnet showroom at 65 - 69 Holmes Road Newsletter – February to May 2018

To: Residents of Cathcart Street, Willes Road and Holmes Road and School representatives

From: Contemporary Design Solutions Ltd, Address: 46 Great Marlborough Street W1F 7JW

Date: 10th May 2018

Dear Sir / Madam,

Welcome to the nineth newsletter on the redevelopment of the Magnet showroom at 65 – 69 Holmes Road, being delivered by Designated Contractors Limited. This newsletter provides an update on our works to date including forthcoming site activities.

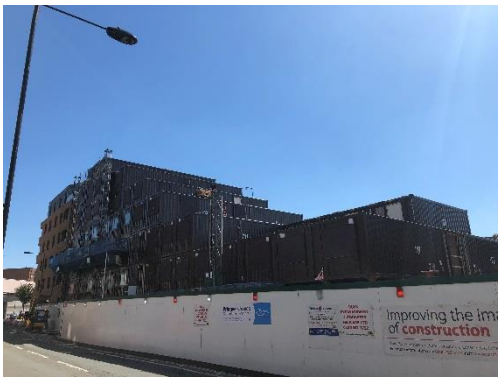
Previous newsletters as well as contact details can be found on a dedicated project website – **www.thestay-club.com/kentish** – which has been set up to provide regular updates and information on the project.

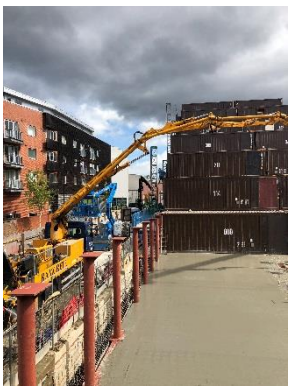
ONGOING / WORKS COMPLETED

- High level structural capping beam works has been completed.
- Excavation operations works is completed.
- Structural boundary retaining wall concrete works completed.
- Underground drainage works is completed.
- Structural concrete basement and ground floor slabs installation is completed.

FORTHCOMING WORKS

- Formation of concrete stair and lift cores is ongoing.
- Continuation of structural steel frame installation.
- Pods delivery and installation is ongoing.
- Installation of render cladding is ongoing.
- The project team will continue to inform the local community of works in advance.





Yours sincerely,

Mariano Garcia (Contemporary Design Solutions Ltd)
